OTHER PUBLICATIONS

The Dublin Tourist Guide

is a free and independent tourist information magazine which provides an indispensable read for visitors, about all the best things to do while in Dublin. It carries guides for the four major areas that tourists spend: Where to Eat, Where to Drink, Where to Shop as well as What to See and Do, all centred-round a large city map. Distributed through 200 citywide hotels, for free.

Totally Dublin

is totally, entirely, completely Dublin - we're the city's most widely-read, highly-distributed freesheet, dedicated to covering Dublin high and low, North and South, upside down and inside out. With unparalleled listings, incisive feature content on all facets of culture both Irish and international, music, film, fashion, bar and food reviews, and interviews, TD has established itself as the go-to guide to our city in its 13 years of existence. We are known for our wit-heavy writing style and sharp attention to design and for highlighting the hidden parts of our city.

Totally Cork

Totally Cork covers a range of topics from the city and county, in terms of people, in terms of businesses, in terms of buildings, in terms of spaces, in terms of politics - the whole living, breathing mess of it. Totally Cork is informed, intelligent and irreverent. It is neither populist nor elitist. It has many moods, but it is at turns discerning, inquisitive and often celebratory of talent, either indigenous or from those that have come to find their home in Cork.

Advertising packages are available across multiple titles, ensuring you get your message in front of the widest possible audience.
