Totally Dublin is totally, entirely, completely Dublin – we’re the city’s most widely-read, highly-distributed freesheet, dedicated to covering Dublin high and low, North and South, upside down and inside out. With unparalleled listings, incisive feature content on all facets of culture both Irish and international, music, film, fashion, bar and food reviews, and interviews, TD has established itself as the go-to guide to our city in its ten years of existence. We are known for our wit-heavy writing style and sharp attention to design and for highlighting the hidden parts of our city.

With 500 distribution points throughout the city in bars, restaurants, cinemas, venues, shopping centres, shops, (and in one case, a tattoo parlour), a dedicated website, and packed-out events, our influence is far-reaching. Totally Dublin is picked up by members of all Dublin demographics, but we’re particularly popular with students and professionals from 25 – 45, anybody with some extra steam to blow off in the city. At last count, our readership numbers over 125,000 which, when combined with our essential website gives us by far the highest influence of any culture guide in the country.

Linked Finance, the NEW way for Irish Businesses to raise between €5K – €100K

OLMER VANDER ELST

GreenAer

What is GreenAer, and what sets it apart?
We specialise in Smart Urban Transport Solutions, with an emphasis on Premium Electric Bicycles and Cargo Bikes. We offer the widest choice of e-bikes and Cargo Bikes in Ireland as well as the Handmade Bear Dutch Bike. We are on a mission to get as many people as we can convert on these life changing beautiful machines. The more e-bikes on the roads the fewer cars and congestion in the city; the Revolution is on the way!

What did your Linked Finance Stocking Loan and Working Capital loan help you to do?
We raised money to purchase a fleet of these electrically assisted bicycles so that people could rent them out and trial these before they made up their minds. The loan was widely advertised and it enabled us to get some attention from new customers as well.

What's your business new years resolution?
We will be opening a sales/trial office in Blackrock in the new year, we want to continue to grow obviously and also take more people on e-bike holidays.
